

Event Driven

Meet the team behind our real-time news and analysis on market-moving litigations, Washington, D.C., policy changes and M&A enforcement

LEADERSHIP

KEVIN REYNOLDS

Managing Editor

Kevin is a leading expert and innovator in the delivery of real-time, actionable news, and a pioneer in developing semi-automated news gathering and data mining. During his 23 years at Bloomberg, Kevin created, built and ran the ground-breaking First Word service as well as the Speed Desk.

BRAD BARKER

Director

Focus: Telecom, Media & Technology

Brad specializes in TMT developments in Congress, the FCC and the FTC. He manages the Event Driven team of tech, energy, financial services, tax and healthcare analysts and reporters. Previously, Brad helped build and manage a team of legislative and litigation analysts at Bloomberg Intelligence, and prior to that he spent 15+ years as a lobbyist in D.C.
